

Hello! Welcome to *ASInside*, your one stop shop to stay informed about everything going on at ASI including events, newsworthy info and much more. This Web publication was created to keep everyone connected: learn something new with each monthly release and share something about your department to the rest of ASI. Read the first part of the story here and continue onto [ASInside Online](#) to read the rest. See below on how you can tip us off with any ASI-related news ideas.

## FEATURE

### Chalking It Up at the Chalk Festival

From illustrations of Cheshire cats to sketches of light bulbs, students showed off their artistic talents at ASI's Third Annual Chalk Festival. University Park was buzzing with people beautifying the pavement and viewing works of art. In total 13 teams participated in hopes of winning the judges' considerations or just to have a good time.

### Pizza With the Presidents: Lo' Budget, Mo' Problems

Students gathered in the University Quad on Thursday, April 30 to voice their concerns to campus leaders during the quarterly Pizza with the Presidents. This event is an avenue for the campus community to ask questions to campus administrators. This was Weintraub's last Pizza with the Presidents for his term.

### Congratulations to the ACUI Winners!

The Association of College Unions International (ACUI) has an annual competition for design work at their national conference. Four of our entries were awarded top honors. Find out more about the graphic designs from the artists themselves.

### Earth Day, All Week at CPP

Wednesday, April 22 was Earth Day 2009 and the campus celebrated it with events and resources throughout the whole week that promoted going green and practicing the three R's: recycle, reduce and reuse. Earth Week consisted of a resource fair with various clubs, film screenings, BBQ's and more.

### Relay for Life

The campus quad appeared more like a camping ground Saturday, April 25 through Sunday, April 26, complete with family and friends, snacks and tents. ASI set the standard in participation, hosting their own team who raised over \$500, and having representatives from Student Government, Gas Creative Group and BEAT.
